

WELCOME!
A Natural Classic
...since 1978

You are all invited to spend a day at beautiful Duck Mountain Ski Area.... Saskatchewan's Hidden Winter Wonderland.

Once you spend a day with us, you will wonder why you spent so much at those "other" hills.

We are in the heart of Little Boggy Creek Valley in Duck Mountain Provincial Park, nestled right next to Manitoba's Duck Mountain Provincial forest.

Simply and easily find your way to the Duck Mountain's Park entrance gates (no winter fee), located at Madge Lake on Saskatchewan HWY No. 57 just 21 km east of Kamsack or 50 km north of Roblin, Manitoba on HWY No. 83.

Turn south on to the Boggy Creek Parkway, and enjoy the scenic drive to the Ski Area. Keep your eyes open!! You never know when you might spot a moose, deer or pileated woodpecker.

In 2008 we celebrated our 30th anniversary. We take pride in that the natural beauty of the hill has been maintained throughout all these years.

It's important to us that our customers experience "getting away from it all." We do our best to give you the experience nature intended. So come and visit Duck Mountain Ski Area - A Natural Classic... since 1978.
